

Alpha Kappa Delta (AKD) INTERNATIONAL SOCIOLOGY HONORS SOCIETY

What is Alpha Kappa Delta?

AKD is an international honors society for undergraduates (as well as graduate students) that recognizes students with outstanding academic achievements in the field of sociology. On February 2, 2009, USC Upstate was awarded an *AKD* chapter – *Mu* of South Carolina. Because the mission statement of *AKD* is "To investigate humanity for the purpose of service," students also engage in a number of service activities throughout the year. In April of each year, students attend an induction ceremony at which they receive official honors cords and certificates.

- Junior standing (completed 60 or more semester hours)
