Once you are considered a current student, you will be given a very specific date and time that you can enroll. It is called your “Ticket Time.” As a first-time student to enroll, you may not have a specific date. Ticket times can also be found in your Student Profile.

Check to see that you have no holds that prevent registration.

Every student is required to be advised prior to registering. If you have not been released by an advisor to enroll, you will see a hold at the top of this page.

Tips for Registration

How did I get in this course ?

Don't get confused and "accidentally" register for a course off campus. Section numbers are important! Be sure to watch the section numbers for each course to determine delivery format, times and even campus location before you register.

- Examples:
 - BADM U298 - 1B is taught at the downtown JCBE campus
 - ARTH U101 - 1W is an online course
 - NURS U306 - 3G is taught at the Greenville campus

The helpful chart below will help determine the campus location for courses.

Code	Type / Campus
B	JCBE downtown campus
G	Greenville campus
S	Sumter campus
W	online course
D	Dual Enrollment course
M	Hybrid course (online course with some class meetings)
V	Video Conference course
H	Honors course
SA	Scholars Academy course
