
RESEARCH ADVISORY COUNCIL

I. Charge:

The Research Advisory Council is formed as an ad hoc group under the auspices of the Office of Sponsored Awards and Research Support for the overarching purpose of steering the development of initiatives, policies, and procedures that support the research, scholarly, creative, and grant writing endeavors of both faculty and students at the University of South Carolina Upstate.

II. Specific Responsibilities:

1. Guide the development of new internal funding support programs that support faculty and/or students in research, scholarly, creative, and grant writing projects.
2. Provide feedback and advice on refining the policies and procedures of existing internal funding programs.
3. Review applications for the primary internal support programs and decide which applicants should be funded.
4. Guide the development and refinement of grant writing policies and procedures.
5. Provide feedback and advice on other research, scholarly, creative, and grant writing initiatives.

III. Meetings:

1. The Research Advisory Council will meet at least two times per academic year:
 - i. Fall semester to review internal support programs.
 - ii. Spring semester to review internal support programs.
2. Additional meetings of the Research Advisory Council may be called in order to discuss issues related to the planning, policies, and procedures of new and existing initiatives.
3. Meetings are called and scheduled by the Chair of the Research Advisory Council.

IV. Membership:

1. The Research Advisory Council consists of the following members:
 - i. One faculty member from the Mary Black College of Nursing
 - ii. One faculty member from the George Dean Johnson, College of Business and Economics
 - iii. One faculty member from the College of Education, Human Performance, and Health
