DATE OF REVISION – OCTOBER 2024

ADMINISTRATIVE OFFICE – STUDENT INVOLVEMENT

PURPOSE

This policy outlines campus policies pertaining to advisors of registered student organizations.

DEFINITIONS

Appointed/Assigned Advisors

University sponsored organizations (i.e. Campus Activities Board, IMPACT, departmentally sponsored clubs, etc.) typically have professional staff members who advise them as part of their job responsibilities. This also includes organizations that must be advised by individuals who are members of the organization (i.e. Greek fraternities & sororities, some professional associations, etc.).

Selected Advisors

Student organizations that are not sponsored by the University (i.e. special interest groups, some academic clubs, etc.) may receive University funding through the annual allocation process or from SGA Special Projects funding, but these groups are not considered University sponsored and may select their own advisor(s).

POLICY STATEMENT

- A. To encourage positive interaction between University faculty, staff and students, all registered student organizations are required to have an advisor registered with the Office of Student Involvement.
 - 1. Advisors must be selected from full-time faculty or administrative staff members at USC Upstate. Students (including Graduate level) are ineligible to serve as primary advisors to registered student organizations.
 - 2. Fraternities, sororities (Greek organizations) and faith, spirituality, and belief based student organizations are exempt from this rule and may select off-campus advisors in accordance with related inter/national organization policies. Additionally, special accommodations to this requirement may be made for intramural/athletic student organizations that may require advisors with related credentials.
 - 3. All advisors are required to adhere to the policies outlined in this document and follow University Policies and the Student Organization Handbook.

PROCEDURES

B. Selected Advisors

1. As part of the organization's annual registration, selected advisors must complete the Advisor Statement of Support.
