

Crime Analysis Professional Certificate

Launch Your Career in Crime Analysis.

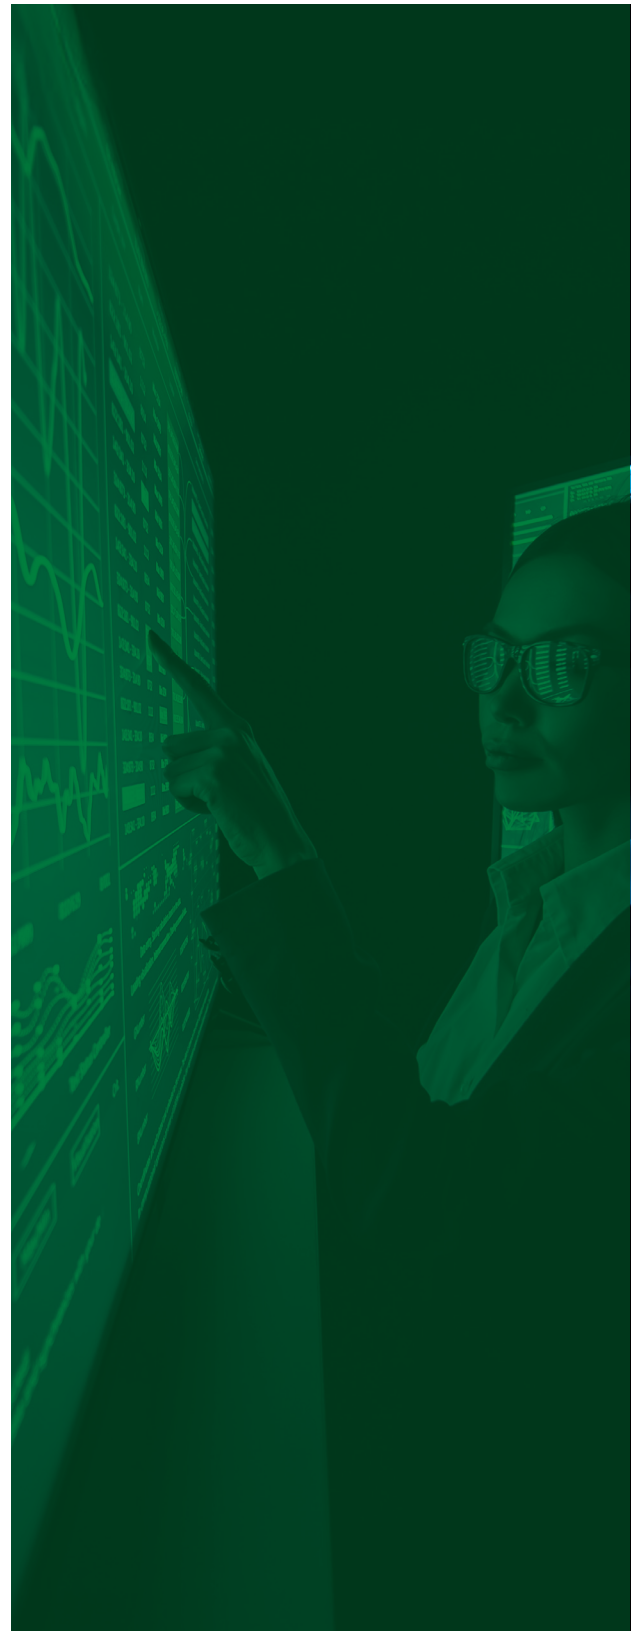

Gain the marketable, data-driven skills needed to identify crime patterns and support agency decisions. Through our partnership with the **International Association of Crime Analysts (IACA)**, you will be prepared to sit for the **Law Enforcement Analyst – Foundational (LEAF) Exam**.

The Fast Facts

- **100% Online** – Learn from anywhere.
- **Finish in One Year** – Start in August, complete by June.
- **No Experience Required** – Ideal for beginners
- **Industry Credential** – Includes IACA / LEAF Exam preparation.
- **Expert Faculty:** Taught by a former crime analyst.

Designed For

- **Working Law Enforcement Professionals** looking to advance in their careers and develop new skills.
- **Career Changers** seeking a data-driven role in public safety.
- **Community Leaders** interested in evidence-based policing.
- **Early-Career Analysts** wanting to formalize their skills.
