

Earn a Criminal Justice Degree with a concentration in Crime Analysis

No Extra Cost. No Extra Courses. Big Advantage.

Graduate with a **specialization**. Add the data-driven skills law enforcement agencies are hiring for now.

- **No Extra Tuition or Extra Courses** – Courses count as CJ electives and fits into your existing schedule
- **100% Online** – Flexible online format
- **Finish in One Year** – Complete requirements in one academic year
- **Graduate On Time** – No delays to your degree
- **Career Ready** – Master the tools used to identify crime patterns and support policing
- **Transferable Skills** - Gain data analysis, critical thinking, and problem-solving skills

Earn an Industry Credential

Through our partnership with the **International Association of Crime Analysts (IACA)**, you will be prepared to sit for the **Law Enforcement Analyst - Foundational (LEAF)** Certification Exam.
